

Mary Laury's Drawing Class Materials list

The beauty of drawing is that you need almost no equipment.

I like to draw on ordinary computer paper. You can surely use a sketchbook if you like.

I use an ordinary #2 pencil and an eraser that is either art gum, pink pearl, or mars plastic.

A pencil sharpener is nice to have.

My favorite pencil is actually a Pentel 0.9mm mechanical pencil. Not from an art supply store, but just the pencil you can find in an office supply place. Use whatever feels good in your hand.

I'll be emailing you some references to draw from throughout the course. You will also be asked to gather some references of your own, such as photos, or perhaps some fruits and vegetables.
